INTRODUCTION

The Progress for Oil & Gas Services ,and Tenders & Supply Contracts is one of the leading companies working in the field of oil, gas services in the Republic of Yemen. It specializes in contracting, exporting, importing, oil and gas services with a strong participation in the supply and implementation of private and public projects in many areas. The Progress able to establish a very good relationship with the general and specific trends and domestic market, as well as being able to gain the trust of the international companies, which are at the same time aiming to pose The Progress in Yemen.

The Progress for Oil & Gas Services ,and Tenders & Supply Contracts Company includes many separate divisions, each division is managed and ran by a qualified and well experienced personals with separate staff and individual management, besides our managers are experts in market analysis as well as in integrating and applying advanced international experience into field of customer care

The divisions are:-

- Government & Organizations Tenders Division
- General Purchases.
- Construction Division
- Manpower Supply.
- Camp Life Support
- Transportation.
- Power and Gen. Division
- Oil and Gas Division
- Water, sewage and Agriculture Division
- Industrial Division
- Trading Division
- Medical and healthcare Division
- Telecommunication, Broadcasting and Audio Visuals Division
- Oil and gas exploration and production sector

Those divisions provide clients with complete range of products and services clients will need from supplying Machines and Equipments to providing Services and Turn Key Solutions.

We are the Founders and Managers of The progress do consider ourselves well experienced and well knowledge about our market and its requirements which made our company a market leader and tiding ourselves up with a world leader manufacturers and service providers we succeeded to create a trend in Yemen market.

We believe to provide the customer with the best products and perfect services and that the motivation which helps us to be unique and creative which made both of our clients and suppliers appreciate the work we do.

We have developed our own Health Safety Environment, HSE, Policy & Plain which all of our employees are trained in understanding & applying in order to ensure compliance with our Quality Assurance standards.

Furthermore, all of our sub-contractors are required, to understand, & to apply our HSE Policy as it is an integral part of our business.

Our Mission & Vision...

VISION

To be a leading provider of quality services to the oil & gas industry
the knowledge to exceed our client's expectations.

MISSION

Working together with our client to provide services with high quality.

HSE Policy

HEALTH, SAFETY AND ENVIRONMENTAL POLICY

At Progress Company, we value the wellbeing of our employees, contractors, customers, the communities in which we operate and the environment. We are committed to responsible management practices that minimize any adverse health, safety or environmental impacts, which may arise from our activities, products or services. Health, Safety and Environment (HSE) performance are core values of the company and will be managed as an integral part of our business to benefit all the stakeholders and shareholders.

As a strategic framework to keep us on the path to our goals, we have established a company Health, Safety and Environmental management system for all our activities that drives continual improvement. The HSE Management System outlines detailed HSE accountabilities to implement this Policy and requires that we:

- Comply with legal and regulatory requirements
- Provide adequate control of the health, safety and environmental risks, which may arise from our work activities;
- Consult with our employees on matters, which may affect their health and safety;
- Provide information, instruction and supervision for employees;
- Ensure all employees are competent to do their tasks, and to give them adequate Training;
- Review and revise this policy as necessary at regular intervals.

In implementing this Policy we will engage with our employees, contractors, suppliers, business partners, customers and Government and communicate expectations to all persons working with or on behalf of the Company.

All line management will be held accountable for accomplishing the HSE goals by demonstrating correct HSE behaviors, clearly defining HSE roles and responsibilities, allocating required resources, rigorous measuring and establishing corrective systems. All employees are responsible for assuring that we achieve continuous and measurable improvement.

Quality Policy

Quality Policy

The Progress Company is wholly committed to achieving a high standard of quality in its business undertakings.

It is the policy of Progress The Progress for Oil & Gas Services, and tenders & Supply Contracts to consistently supply products and services that fully meet or exceed the expectations and specifications of our customers & clients and to comply with legal & regulatory requirements.

This will be done in a Professional and Responsible manner.

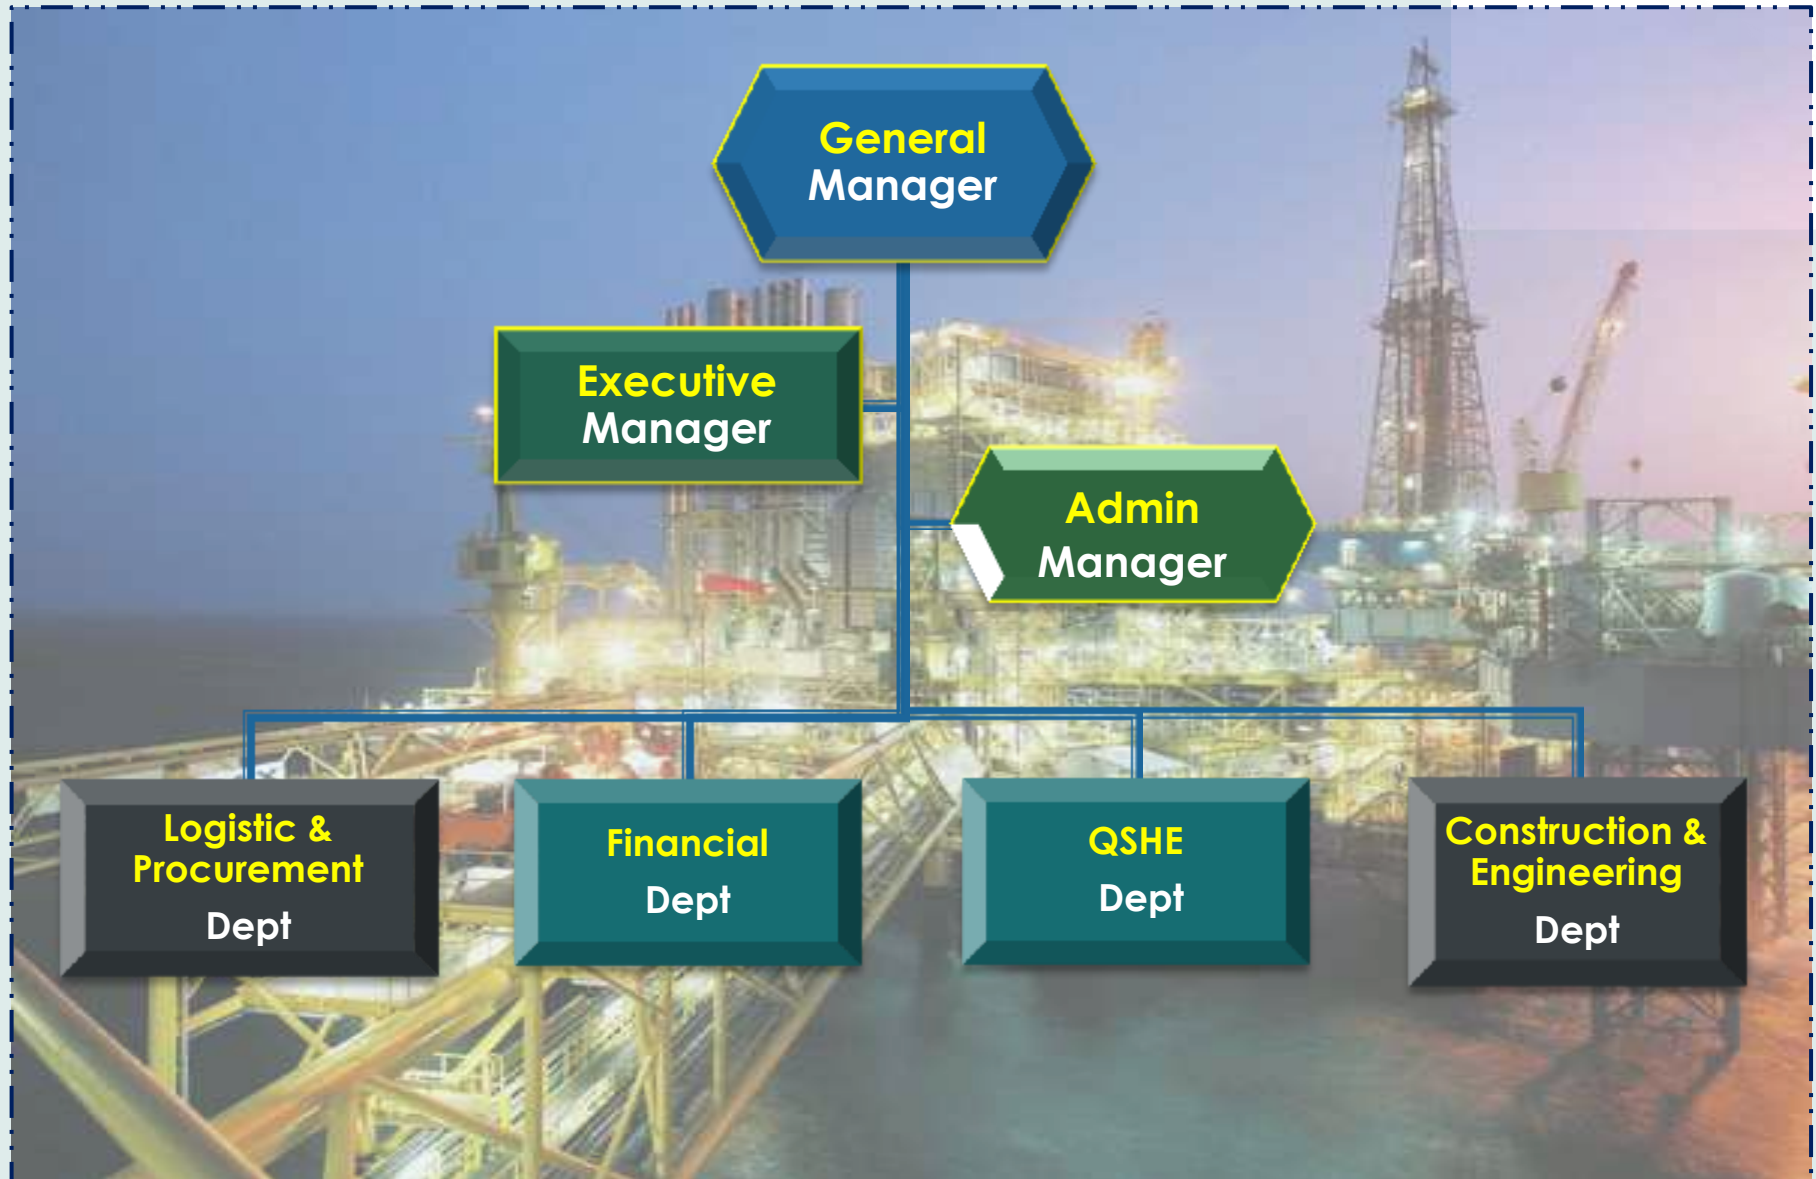

In order to ensure that our business conforms to this quality requirement, Progress has established and implemented an effective Quality Management.

Our employees have received training and shall be re-trained from time to time to ensure that they understand the policies, objectives and inter-relationships of the Quality Management System.

All Personnel are responsible for the implementation of those parts of the Quality Management System applicable to their activities and for achieving the specified quality standard.

They are also encouraged to suggest improvements in our methods and procedures.

Organization Chart

Our Services

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) /
Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or <http://progresscomp.com/web/>

The Progress Company provides products and services like equipment and machinery, Casing, tubing and pipes, instrumentation, chemicals , engineering support , Process Skids Static ...etc. as well we provide aftermarket spares to the oil and gas, exploration & Production Companies . Our clients includes all oil & gas companies, petrochemicals companies and drilling companies operating in Yemen. We listed below summery of the products and services we do provide which represent only part of what we are covering.

1- Drilling: OCTG, Casing Tubing, Drill Pipes, Coated Pipes, Line Pipes, Pipes & Fitting, Flanges (Carbon / Alloy Steel), Pipe Fittings (Carbon / Alloy Steel), Tees, Bends, L bows.

2-Strainers And Filters: Y Type, High Pressure, Gas Filtration , Simplex Strainers , Back Flush Strainers, Duel Basket Strainers, Liquid Filter, Dry Gas Filter, Filter Separator, Carbon Bed ,Filter, Cartridge Filter.

3-Static equipments: The Progress Company offers the complete range of static equipments supplied and supported by after-market service to our client in Yemen . The products are being used in the various process stages of oil and gas, petrochemical refinery, export pipe line, etc. The Progress and its principles also offer the static equipments, skids, packages to manufacture according to the specific custom made designs.

Heavy Process Equipments, 2,3 Phase Separators, High Pressure Vessels, Distillation Columns, Agitators, Heat Exchangers, Custom Designed, Shell Types, Tube Types, Fined Type, , tatic Packages/ Skid Mounted, Gas And Liquid Metering, Terminal Custody Transfer Pipeline Equipments, Metering Skids, Transfer Pumps, Proving Meters Skids, Turbine Meters, Additive Chemical Injection, Air Moisture Separator For Instrument Air, Blending Mixing, Flame Arrestor Flare Systems, Gas Liquid Measuring And Filling System, Loading Mooring System, Truck Loading Equipments, Positive Displacement Meters, Pig Launcher, receiver, signaler, Oily Water Treatment, Coalescer, Dry Gas Filter, Gas Conditioning Skids, Flare System, High Pressure Flare, Air Assisted Flare, Enclosed Flare, Utility Flare, Gas Assisted Flare, liquid Flare, Steam Assisted Flare, Ground Flare, Coned Flare, Flare Accessories, Flare support Structures, Tank Venting – Pressure and Vacuum.

Equipments For Bulk Storage Tank Inventory And Monitoring Storage Tanks for Gas, Oil and Petroleum Products

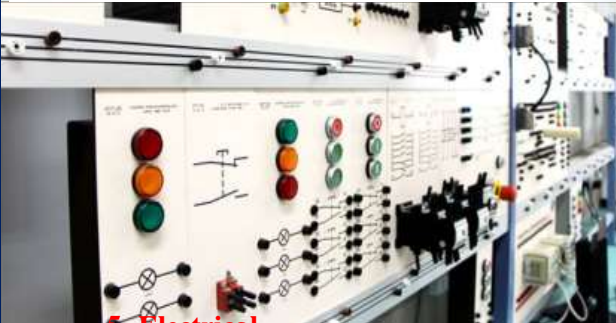

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or http://progresscomp.com/web/

4-Instrumentation and Control:

Valves and Accessories

- ✓ Control Valves, Regulators, Safety Valves, Ball Valves, Butterfly Valves, Globe Valves, Gate Valves, Pilot Operated Valves, Level Controllers & Transmitters, Pressure Controllers & Transmitter, Temperature controller & Transmitter, Positioner, Recirculation Control Valves, Solenoid Valves, Check Valves, Bleeding Valves, DCS, SCADA, Process Control Stations, Safety Instrumented Systems, Emergency Shutdown System, Gas Analyzer, Liquid Analyzers, Hazardous Area Electric And Electronics Instruments, Bs& W Monitor / Oil In Water Monitor, Orifice Sets, assemblies, Holders, flanges, Actuators – Emergency Shutdown Valves, Level Transmitters – Pneumatic, Controllers / Transmitters, Rotating Equipment Health Monitoring, Measuring Instrument on Ph,
- ✓ Conductivity, Dew Point, Gas Detectors, Analyzers, Pneumatic Fittings, Pressure, Temperature, Level, Flow Gauges, Flow-Measurement, Orifice Flow Meter, Ultra Sonic Flow Meter, Venturi Tubes Flow Meter, Turbine Flow Meter, Coriolis Mass Flow Meter, Flow Computer, Produced Gas Chromatographs & Controller, Transmitters & Switches, Pressure, Temperature, Level, Flow

5- Electrical

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or http://progresscomp.com/web/

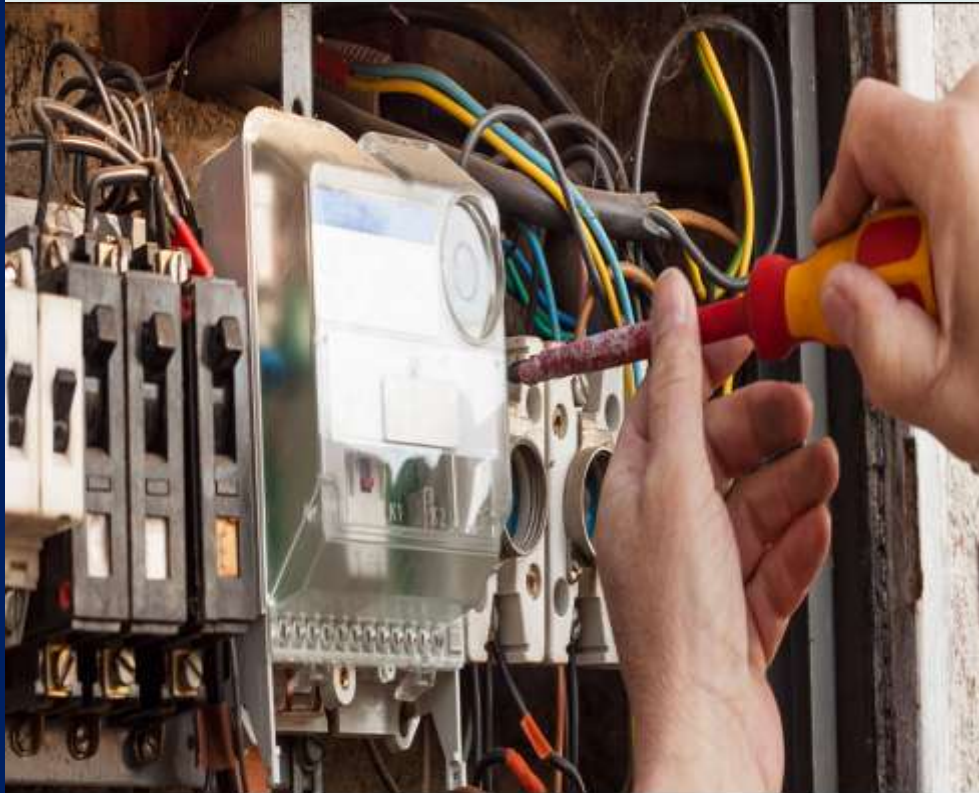

The Progress Company is continue to supply and support to the electrical requirement for various industries and to the corporation like Generation, operation and maintenance, distribution we are one of the reliable source for the Power plant main equipment supplies.

Power Plants

- ✓ Diesel Heavy Fuel Oil Fueled, Duel Fuel – Reciprocating / Turbines, Steam Turbine Driven, Gas Turbine Driven, Boilers and Steam Turbines, Power Plant Main Equipments

HV/LV Distribution / Transmission

- ✓ Switch Gears, Distribution Panels, Control Stations, Motor Controls, Variable Speed Drives, Power Transformers, Instrument Power Supply, Static Rectifiers And Inverters

6-Rotating Equipments

The Progress Company is strong in supplies and aftermarket sales in the rotating equipments our specialization in, transfer, main line pumps, ESP, turbines, compressors, etc listed as below.

We also undertake, overhauling, upgrade, retrofit, service , train of the installed rotating equipments.

Pumps – API

- ✓ ESP, Transfer and Loading, Water Re injection, Produced water, Submersible, Boiler water feed

Compressors Driven By Electric Motors, Reciprocating Engines, Turbine Engines

- ✓ Air Compressor Screw, Nitrogen Generator, Instrument Air Compressor, Industrial Skid Mounted, Starting Air Compressor, Compressors For Emergency Shut Down, Portable Engine Driven Compressor, Gas Compressor Screw, Gas Compressor Centrifugal

7-The Progress Company - Engineering Design Consultancy & Services

- ✓ FEED, Pipeline Design, Project Management, EPC, EPMC

Field Services & Supplies

- ✓ Well Heads, Wire Line, Work Over, Off Shore Platforms, Well Testing, Test Separators, Well Head Control Panels, Production Testing, Operation & Maintenance

Engineering And Design Services

- ✓ Chemical/Process, Mechanical, Electrical, Instrumentation, Controls, Civil, Structural

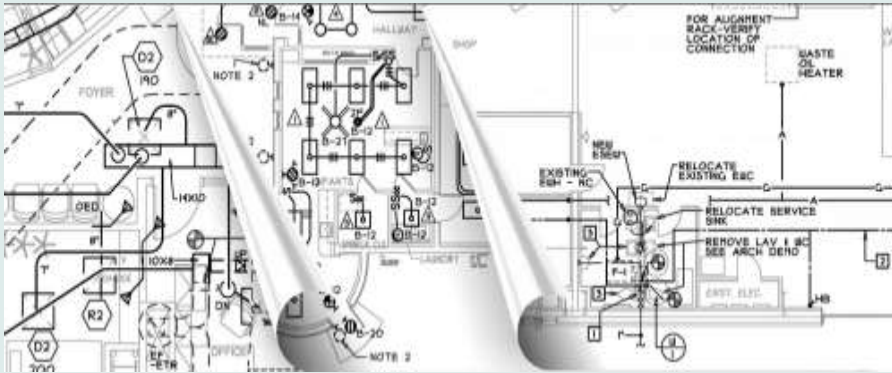

Engineering And Design

- ✓ Process Simulation, Relief Valve, Flare And Vent Sizing, PHA Management, Heat Exchanger Sizing And Analysis, Pipe Stress Analysis, Pressure Vessel Sizing And Analysis, Structural Design, Instrumentation Management, Hydraulic Flow Analysis, 3-D Plant Modeling, Project Management.

Manufacturing Services – (In collaboration With our Principles)

- ✓ Custom Equipment Skids, Control And Instrumentation Panels, Heavy Equipment Fabrication, Structural Steel Fabrication Including, Platforms, Walkways, Hoppers, Grizzlies, Etc., Repair And Refurbish Equipment, Testing, Inspection, And Startup Of Equipment

8- Services.

In offering our services, we pride ourselves in our ability to cover our customer's requirement, thereby ensuring complete quality control of product from receipt for commissioning In order to facilitate this requirement, management and supervision are seconded from our service organization and control the following departments:-

- ✓ General engineered products and services, Oilfield services, Electrical divisions, Desalination services, Field services, Inspection and heat treatment services, Welding and fabrication., Metal Spraying and coating services, Reverse Engineering, On-site performance analysis, In-situ dynamic balancing and analysis, Component repair and manufacture, Complete overhauls, Installation, Commissioning.

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or <http://progresscomp.com/web/>

9-Miscellaneous

✓ Water Treatment And Filtration, Desalination Units For, Drinking / Utility Water Treating Unit, Chemical Injection Packages, Process Water, Boiler Water, Waste Water.

Rotary Seals and Joints For Pumps, Compressors, Agitators

✓ Stuffing Box Packing, Dry Gas Seal, Seal For Steam Turbines, 2 Phase Seals, Expansion Joints

Air Conditioning And Space Heating

✓ HVAC Controls, Fire Dampers, Corrosion Monitoring System, Cathodic Protection, Rupture Disc Burst Sensor, Corrosion Coupons

Fire safety and Firefighting Equipment, Fire Alarm System, Fire Pumps Skid And Portable, Fire- Flammable -Combustible And Gas Detectors, Fire Detectors (Heat/Rate Of Rise/Rate Compensated)

Chemical

✓ Pipe Coating, Corrosion Protection Coatings, Thread Components, Valve Compounds, Bitumen Additives, Phosphorus Additives, Oil Field chemicals, Filter Aids& Spar Parts, Activated Carbon, Molecular Sieves, Specialty Surfactants, Paint And Coating, Hand Tools, Safety Gears and Personnel Protection, Hand Tools, Electrical Pneumatic Hand Tools

Construction & Civil Work Service

Preparing Roads & Bridges in our plan

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or <http://progresscomp.com/web/>

Light Equipment Rental

We Provides comprehensive range of equipments on rental basis as per the requirements of our.
We have committed & dedicated professional staff to ensure outstanding services.

Heavy & Light Equipment Rental

The Progress company is capable to serve oil & gas industry through renting heavy & light equipment service to provide our clients with equipment they need to achieve optimal performance safety, efficiently & effectively.

The Progress company has the ability to serve a broad range of client end user markets, including oil & gas industry, construction, industrial, government, infrastructure, emergency response, facilities & maintenance.

The Progress company strives to have the best & broadest selection of premium rental equipment available & ready when our clients need it, ensuring it performs as promised & providing unsurpassed client service at every opportunity.

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) /
Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or <http://progresscomp.com/web/>

Manpower Supply

The Progress Company provides a skilled Manpower Labor to the Oil & Gas industry, for upstream, midstream & downstream Projects & Operations, on short or long-term basis. Their highly qualified professionals & skilled labors can support the best top, middle & lower level workforce.

Progress identifies the manpower requirements, in line with their clients' needs, utilizing appropriate screens & Matching methods to ensure that only suitably qualified personnel are recommended, in a timely fashion.

They bring together the sources with oil & gas Companies who are in search of forwarding their operations, with a productive future in mind.

With dependability & the suitability of Skilled Manpower Supply being key to operational continuity, Progress is a reliable partner, that client can rely on to respond to their needs & to deliver a quality service.

Throughout the period, during which Progress staff works on customers' operations, a full transfer of knowledge takes place, to local staff.

By utilizing their skilled manpower supply to tackle their clients' ongoing & short-notice proficiency gaps, they provide assurance, that world- class knowledge & highly skilled labor, is enhancing the oil & gas industry.

We can also provide our clients with a list of manpower that suite their activities, our list is showing below **but no limited to;**

| A- Drilling & Well Engineering | B- Upstream Exploration & Engineering | C- Operation & Maintenance |
|-----------------------------------|---------------------------------------|-------------------------------|
| 1. Drilling Engineering | 1. Geologist | 1. Maintenance Manager |
| 2. Well Engineering | 2. Geophysicist | 2. Engineers |
| 3. Wire-line Engineering | 3. Petro physicist | 3. Inspection/ Asset Managers |
| 4. Casing & Cementing Engineering | 4. Reservoir Engineering | 4. Terminal/ Tanking Managers |
| 5. Drilling Supervisor | 5. Production Engineering | 5. Operations/ Asset Managers |
| 6. Drilling Superintendent | 6. Petroleum Engineering | 6. Production Supervision |
| 7. Rig Manager | 7. Exploration Managers | 7. Operators/ Technicians |
| 8. Company Man | | |
| 9. Driller | | |
| 10. Directional Driller | | |
| 11. Assistant Driller | | |
| 12. Wellhead Engineers | | |

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or http://progresscomp.com/web/

Fabrication & Welding Services in our plan

Fabrication & Welding Services

The Progress Company can understand the importance of getting your facility or equipment back up & in operation.

Weather it is a maintenance & repair project or a complete design fabrication & installation project we can get the job done in safe & timely manner.

We pride ourselves in completing all our client's projects on time & within budget.

You can rely on our expertise in fabrication, welding, rigging, & maintenance to get your equipment or plant back into service.

Service & the equipment that we offer there is no job to large or small that we cannot handle.

You can count on Progress to get it done right the 1st time.

Bring us your problems & we will get you the solution.

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or <http://progresscomp.com/web/>

Security Service

The Progress Company offers a full range of security officers & guards.

Our Promise to “Protect & Honor Those We Serve” as well as our wealth of hiring a highly trained staff, guarantees your facility will remain safe & secure.

Officer & Guard Recruitment & Selection.

The best way to ensure the most reliable security is to employ the best candidate for each position.

That’s why Progress uses an extensive screening process when hiring & continues with intensive candidate evaluation for specific jobs.

Instead of “screening – out” undesirable candidate, Progress concentrates on “screening – in” the best candidate – matching the skills of the officer or guard to the skill requirements needed for the jobs.

Officer Training.

Progress commitment to employee training & development is amongst the finest in the contract security industry.

Well-designed, professionally executed training programs help produce knowledgeable & motivated employees, which results in lower turnover, less absenteeism, & higher standards of performance than industry competitors

Camp Life Support

Camp Life Support

The Progress Company capable a host of camp life support services to local & multinational oil & gas service companies.

This is applicable to both base camps & camp administration

- House Keeping & Laundry;

Progress catering operation is committed to provide high quality service while maintaining excellence in health, safety & environmental considerations.

This is maintained through the usage of proper food storage equipment as well as hygienic & reliable kitchen equipment, & good quality crockery, cutlery, high end ovens, & curing facilities.

- Maintenance;- Waste Removal;
- Water Supply;- Pest Control;
- Traveling Services;- Procurement services.

Transportation & Logistics

Transportation

We are offering custom clearance, transportation services, & all related activities at Mukalla Sea Port, Riyan Airport, & all other custom outlets in the Republic of Yemen.

In addition, we have a well-qualified personnel equipped with advanced & various experiences on the ground. Besides to the typical relations between us & all concerned government offices in the grow-up to the strongest establishment working in this field. We are definitely committed to providing all environment, health & safety conditions when delivering our client's goods/shipments to the assigned location.

The progress Company for oil & gas services and tenders & supply contracts Tel : : +967-774395455 or 775630146 Email info@progresscomp.com , (Yemen) / Hadhramout - Seiyun / Al-Jazaeer Street , Web: www.progresscomp.com or <http://progresscomp.com/web/>

We Can provide you

Our Provides

We Can provide any Oil & Gas Companies with our Different Services :

- OFFICE AND ADMINISTRATION EQUIPMENT
- DRILLING / COMPLETION EQUIPMENT
- CONSTRUCTION EQUIPMENT
- PRODUCTION AND MAINTENANCE EQUIPMENT
- HEALTH, SAFETY AND ENVIRONMENT EQUIPMENT
- LOGISTICS EQUIPMENT
- HUMAN RESSOURCES,IT AND ADMINISTRATION
- DRILLING / COMPLETION SERVICES
- CONSTRUCTION SERVICES
- GEOSCIENCE SERVICES
- LOGISTICS SERVICES
- HEALTH, SAFETY AND ENVIRONMENT EQUIPMENT.

General Purchases

The Progress strives to provide its clients with the best Goods, tools & the miscellaneous Products, & this is efficiently accomplished through our relationships with suppliers, & distributors. Through these relationships, we are able to provide high quality products, competitive pricing, & on-time delivery.

The Progress acts as ONE supplier & enable companies to leverage their organization's miscellaneous & indirect spending across Progress' existing client database thus reducing operational expenses by getting your supplies at low prices.

The Progress can reduce your freight cost by offering our best rates shipped to worldwide locations through our relationships with freight forwards.

As ONE-STOP SHOP, Progress streamlines your entire procurement process form quotation to on-time delivery.

*We're available to
service your business needs.*
